*Thank
you* 

From Our Post Commander Mike Foglio:

As some of you might already know, I underwent surgery earlier this month on my hip. The surgery was successful and went as expected. I am home now doing well recuperating and doing my physical therapy. Thank you to all who called and checked in to see how I was doing. I really appreciate it. I plan on returning to normal activities soon. I'm hoping by the time my hip is ready, we will have safely gotten through this pandemic with the Covid-19 virus. I hope everyone is staying safe & following the CDC's guidelines by practicing good hygiene, staying 6 feet away from each other when having to go out and by staying home as much as possible. I know we will get through this.

I also want to remind everyone that if you or if you know of anyone in our Legion family that is in need of assistance with things like shopping or having a meal delivered, etc? Please do not hesitate to reach out to us either via email at info@lyndhurstamericanlegion.com or contact us directly through our Facebook or Instagram pages. No request is too little. If we can manage it, we'll do it! We have several members who have offered and are more than happy & willing to help out. Again if anyone in the American Legion Post 139 Family: Legionnaires, Auxiliary or SAL member, needs anything, please do not hesitate to reach out. Email: Info@lyndhurstamericanlegion.com or direct message us on either our Facebook or Instagram pages. Thank You.

Thank you!

The Lyndhurst American Legion Post 139 would like to extend a very special thank you to Mail Direct Office Solutions for all of the help you provided our dart players in creating the team's uniform. We appreciate the time and patience you invested with the initial design and the production of our shirts! They came out great! Thank you for all of your hard work!
