On October 13, 1775, a resolution of the Continental Congress established what is now the United States Navy with “a swift sailing vessel, to carry ten carriage guns, and a proportionable number of swivels, with eighty men, be fitted, with all possible despatch, for a cruise of three months....” After the American War of Independence, the U.S. Constitution empowered the new Congress to provide and maintain a navy. Acting on this authority, Congress established the Department of the Navy on April 30, 1798.

In 1972, Chief of Naval Operations (CNO) Admiral Elmo R. Zumwalt authorized official recognition of 13 October as the birthday of the U.S. Navy. Since then, each CNO has encouraged a Navy-wide celebration of this occasion “to enhance a greater appreciation of our Navy heritage, and to provide a positive influence toward pride and professionalism in the naval service.”

This year on October 13th, 2020, the US Navy will celebrate it’s 245th Birthday. The central theme of this year's 245th birthday and heritage week will be "Victory at Sea," which encompasses the Navy's efforts in battle during World War II in the Pacific Theater.

Happy Birthday to the US Navy!! ❤️🇺🇸💙
